Minutes

Minutes for VG100 group project

Group Number: X

Week: X

Due: Every Thursday 10:00 pm

File should be named as **GroupX.WeekX**

Group Member:

Yanze Yu - YYZ

.....(list all the group members)

Example:

Date	Task	People
Wed (5.17)	Attend lab session	ALL
Wed (5.17)	Finish in-lab assignment	ALL
Thu (5.18)	Purchase parts on Internet	YYZ
Thu (5.18)	Design prototype robotic car	YYZ
Thu (5.18)	Test the new motor	ALL
...	...	...

Progress this week:

Describe what your group did in this week briefly (both Tech part and TC part if applicable). Attach your design or pictures of manufactured prototype if possible.

Tech: ...

TC: ...

Contents:

- Group information
- Tasks completed
- Progress made (briefly)

Objectives:

- Does not count to the grade
- Helps you keep track of your progress
- Helps you divide work reasonably

Progress this week:

Tech:

1. We finished the fabrication of two rovers.
2. The electronic control part of the rover was done and the data with different load were collected.
3. The game day finished.

TC:

1. Pitch day presentation finished.
2. The report writing is started, with the management section finished and the later parts on-going.

Lab Journal

Contents:

- What purpose?
- Who used the equipment?
- When was the equipment used?
- How did the equipment perform?

Date	Purpose	Equipment	State	User's Signature	Student ID
2024/5/21	VG100 Lab	3D Printer	Work well	XXX	xxxxxxxxxxxxx
2024/5/20	VE216 Lab	Oscilloscope	Break down	XXX	xxxxxxxxxxxxx

Kind Reminders

- Be careful with format
- Use templates
- Make your report logical:
 - Be clear about your target
 - Be wise when displaying data
 - Be concise when writing
- Uniformity of writing

➤ START EARLY!!!

➤ NO INVOLUTION!!!
